

The 1st Ramathibodi - *UCLA* Health Fetal Cardiology Joint Symposium
The 7th Annual Bangkok International Fetal Echocardiography Symposium
“Echocardiographic and Pathologic Correlation of Fetal Heart Diseases”
17th - 18th February 2020

Sensations – Vibrations Room, 4th Floor, Novotel Bangkok on Siam Square Hotel, BKK Thailand

Monday 17th February 2020		
07.30-08.00	Registration	
08.00-08.15	Welcome and Opening	
	Introduction	
08.15-08.45	Segmental Analysis of Cardiac Morphology	Mark Sklansky
08.45-09.15	Prenatal Screening of CHDs: Can We Make a Difference?	Norman Silverman
09.15-09.45	CHD: When Should We Concern a Genetic Disorder?	Chayada Tangshewinsirikul
09.45-10.00	Break	
	MFM's Essential part 1	
10.00-10.30	Fetal Echo Markers of Del22q11.2 (DiGeorge Syndrome)	Kuntharee Trairisilp
10.30-11.00	Visualize and Understand the Ventricular Outflow Tract	Theera Tongsong
11.00-11.30	Let's Decode the Clips	Theera Tongsong
11.30-12.00	Lunch Symposium (GE/idsMED)	
12.00-13.00	Lunch	
	Pathologic-Echocardiographic Correlation	
13.00-13.30	Pathology: Pulmonary Vein Anomalies	Norman Silverman
13.30-14.00	Echo: Diagnosis and Management of Pulmonary Vein Anomalies	Mark Sklansky
14.00-14.30	Pathology: D-TGA and L-TGA	Norman Silverman
14.30-15.00	Echo: Diagnosis and Management of TGA	Mark Sklansky
15.00-15.15	Break	
	Workshop	
15.15-16.30	Hands-on Session with Normal and Abnormal Heart	Faculties

Tuesday 18th February 2020		
	Fetal Arrhythmias and Management	
08.00-08.30	Fetal Arrhythmias: When to Refer to Pediatric Cardiologist?	Supaluck Kanjanauthai
08.30-09.00	Fetal AV Block: What is the Best Treatment Option?	Supaluck Kanjanauthai
	MFM's Essential part 2	
09.00-09.30	Assessment of Cardiac Function in TTTS	Sommart Bumrungphuet
09.30-10.00	Nuchal Translucency and the Associations	Wirada Hansahiranwadee
10.00-10.15	Break	
	Pathologic-Echocardiographic Correlation	
10.15-10.45	Pathology: Fetal Ebstein's Malformation: Update and Philosophy	Norman Silverman
10.45-11.15	Echo: Diagnosis and Management of Ebstein's Malformation	Mark Sklansky
11.15-11.45	Pathology: TOF and DORV	Norman Silverman
11.45-12.15	Echo: Diagnosis and Management of TOF and DORV	Mark Sklansky
12.15-13.15	Lunch	
	Pathologic-Echocardiographic Correlation	
13.15-13.45	Pathology: HLHS and Pathophysiology	Norman Silverman
13.45-14.15	Echo: Diagnosis and Management of HLHS	Mark Sklansky
14.15-14.45	Isomerism: The Latest in Understanding and Diagnosis	Norman Silverman
14.45-15.00	Break	
	Finale	
15.00-15.30	Evaluation of Fetal Cardiac Function: The Future is Here	Mark Sklansky
15.30-16.00	Fetal Echo Clip Quiz	Norman Silverman
